BILLING SOLUTIONS

MEDICAL BILLING SERVICES

EASING THE BURDEN

01

PRODUCT ACCESSIBILITY

Prism has an extensive and expanding inventory of products available with no minimum order quantity. Categories include wound care, ostomy, urology, compression, maternity, & at home testing products with the best brand names in the industry.

02

INSURANCE SPECIALISTS

Prism is a full-service medical biller, working with the patient and their health plan to maximize coverage and minimize out-of-pocket expense. Effectively navigating all insurances through a dedicated team of specialists well versed in the dynamics of coverage for patients receiving supplies at home.

03

PATIENT SERVICES

Working hard to ease the burden of the healthcare professional by communicating directly with the patient and their insurance while maintaining contact with the facility. Prism has an entire care management department dedicated to finding alternate solutions if patient insurance is out of network to ensure the patient receives their supplies.

04

STREAMLINED ORDERING PROCESS

Prism provides customized options to meet the needs of ordering providers and patients. Next day delivery time on most orders and flexible shipment sizes with specialized formularies to meet reimbursement needs of all health plans.

05

HOME DELIVERY SOLUTIONS

Prism accomplishes industry leading delivery time through a national distribution network and next day delivery to get the patients what they need as quickly as possible in their homes. Access to supplies and service from Prism is essential to achieving the best possible outcomes for patients who want to focus on their health while in the comfort of their own home.
